

DSTNY WORKSPACE

COLLABORATE EFFECTIVELY IN BOTH INTERNAL AND EXTERNAL PROJECTS

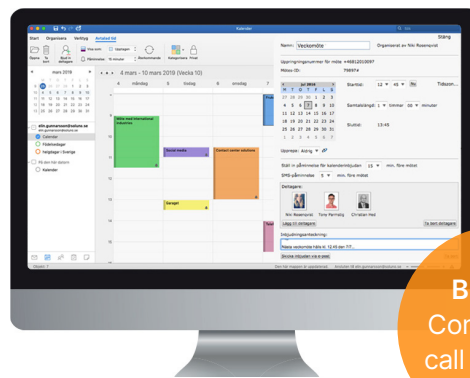

Far from all meetings today are physical and companies need efficient collaboration tools and opportunities for distance meetings.

VIRTUAL PHONEBOOK

Information about a company's own users is often one of its most important assets. Virtual phonebook gives you the information you need.

- A web based phone book
- Search by title, name, city etc.
- See the contacts referral

BONUS
Conference
call included

CALENDAR SYNC

With a calendar connection, you see each other's activities even if someone forgets to refer, which guarantees good service.

- G-Suite and Microsoft Exchange
- See other's calendars in the PBX
- Always referred correctly

Price: 1-49 employees: 699 kr/month | 50-99 employees 999 kr/month | 100+ employees 1 499 kr/month
